****Please ensure you email office@swanaontario.org ASAP if you have any dietary restrictions****

We are proud to announce our **New Recruit Reward** program for this event! Because our YP energy comes from you, our Young Professionals, we want to see our group continue to grow which is why each new YP attendee you refer to our event will earn you a \$10 Tim Horton's Card **sponsored by Machinex**. Simply forward this invitation to a fellow YP in the industry and make sure they mention who referred them once they register.

Also, don't forget about our **Carpool Draw!** Simply carpool with your peers to the event and enter your name in our draw for a chance to take home one of two \$50 gift cards **sponsored by Busch Systems**.

We would also like to ask that our YP's help us this fall in raising funds for the **Hurricane Harvey Relief Effort**. Although our event will take place well after the hurricane occurred, those who lost their homes and belongings will still be living lives far from ordinary. Less than 20% of Texans have flood insurance meaning they are left to foot the bill themselves to repair their homes and replace belongings. Please help us by bringing any donation amount to the YP event. If every attendee donates just \$10 we could easily raise \$400 in one day!!!!

As always, we expect a full turnout so please register right away, as space is limited for this rare opportunity to tour the facility. Of course, we love to hear from you and answer any questions you might have. Please email office@swanaontario.org

See you October 5th!
